The land has a slope, although when entering through the gate the top of the land is flat, which would make it ideal for parking your trailer, car, etc.

The land is completely fenced, safe and private, and has been worked on over the years and now benefits from several leisure areas, among the pine trees and different fruit trees.

A few minutes drive from Alte, and approximately thirty minutes drive from the beaches, makes this a wonderful opportunity to be amongst the beautiful nature of the Algarve.
