Fantastic 3 bedroom villa in a gated community with swimming pool, green areas and garage. Very central and quiet area.

On the ground floor we find a bedroom, bathroom with shower, large living room with fireplace with access to an outdoor patio. We also find a modern, fully equipped kitchen.

On the 1st floor there are two suites with balconies and heated floors in the bathrooms. There is also a large terrace.

The house has solar panels that heat the sanitary water and air conditioning.

Very well maintained condominium, with parking.
